Description

The practical Metos Diamante DBVPA4 accessory rack door can be fitted with a rack for knives, kitchen utensils, spice jars or bottles. You can equip the door according to your needs, in addition, there is still storage space in the closet.

The accessory door has a red handle, which is not only elegantly designed, but also easy to use and stands out from other doors with its colorful detail. The door can be opened in two different ways, either by tilting down or normally sideways.

The door is 395 mm wide and thus fits the Metos Diamante 70 and 90 series 400, 800 and 1200 wide pedestals.

Door mounting brackets are available as accessories.
